¹ Government Assistance / Welfare Payments - this income will only be considered as a supplementary source of income.

Serviceability Ratio Test

- A minimum net surplus ratio of 1.00 times or greater, with an annual surplus of \$200 is required. (1.25 times for Quickstart).
- The 'stressed assessment rate' for all products is the higher of either the actual rate plus a 3.00% loading or a floor assessment rate of 5.75%.
- Repayments on interest only portions will be assessed over the remaining principal and interest term.
- Existing credit card / store card / buy now pay later limits are assessed at 3.8% per month.

Prime Lending Product Parameters

Borrowers

- Only one applicant type (Individual, Company or Trust) per application e.g. John Smith & Smith and Co Pty Limited would be an unacceptable loan structure.
- Natural person/s (either PAYG, Sole trader or Partnership) who are Australian or NZ residents/ citizens over 18 years old.
- Proprietary companies limited by shares (registered with the Australian Securities & Investment Commission) and Discretionary Trusts (no Unit or Hybrid Trusts) - restricted to a single entity applicant (i.e. no multiple company or trust applications).
- Maximum number of shareholder directors per borrowing company or Trustee Company is 4, must hold at least 25% of issued capital (equity).

Full Doc Loan - Genuine Savings

Where LVR >90% borrowers must demonstrate genuine savings of at least 5% of the proposed purchase price, held or accumulated over a minimum period of 3 months.

Quickstart Loan

QuickStart loans can cater to borrowers who have little in the way of a deposit, do not have 5% genuine savings to contribute as a deposit, and where their equity contribution may be by way of a gift or First Home Owners' Grant (FHOG). Loan applications should be noted as "QuickStart" loans and must disclose the source of equity to both the mortgage insurer and Resimac. In the case of a gift forming the deposit, a statutory declaration must be obtained from the provider of the gift to inform of their relationship with the recipient, and confirm that the gift does not have to be repaid or to advise of the terms of any required repayment.

- Borrowers must be in their current employment for a minimum of 6 months or be in the same/similar field of employment for minimum of 12 months.
- Borrowers must disclose the source of funds and provide appropriate evidence.
- Borrowers should not have any previous credit defaults.

Alt Doc Loan

The level of income must support the borrower's asset and liability statement of position. In addition, Resimac will also determine whether this stated income and assets and liabilities are "reasonable", given the nature of the borrower's line of work. Resimac reserves full discretion as to whether or not it will accept the borrower's stated level of income and assets and liabilities. Resimac will not consider Alt Doc loan applications where, it is readily apparent the borrower is not declaring income for tax purposes. The borrower further confirms that the information disclosed is true and correct and the loan commitment can be serviced without undue financial hardship. Due to the additional risk associated with Alt Doc loans, refer to the following Alt Doc summary:

- ABN must be registered for two (2) years.
- Acceptable Borrowers - at least one borrower must be self employed, but may not have up to date financial statements prepared. Pay As You Go ("PAYG") borrowers are permitted as secondary borrowers and proof of the PAYG income must be obtained. Evidence of PAYG income must be obtained and provided if using to service debt.
- Age of Business - the borrowers must have continually operated the same business for a minimum of 2 years.
- ABN must be in the name of the borrower or an associated entity that can be directly linked to the

borrower. Where the borrower has a business with gross turnover in excess of \$75,000 there must be a valid GST registration in place for a minimum period of 12 months.

Line of Credit

Resimac's Line of Credit facility provides for capitalisation of interest. As long as the borrower is within their approved limit, no set repayment is required. The Line of Credit portion will be Interest Only for a period of 10 or 15 (5 years for owner occupied loans) years and then will amortise over the remaining loan term. The monthly instalment will switch to principal and interest, on the maximum available amount, regardless of drawings.

Non-Resident Loan Conditions

- A non-resident is deemed to be a citizen and/or permanent resident of Australia or New Zealand who resides and is employed in another country. Country restrictions apply.
- Must be a High Net Worth Borrower i.e. Borrowers with net surplus assets of greater than \$500,000 (the inclusion of international assets such as stated real estate and/or investments is permitted).
- Non-resident Self-Employed, company or business borrowers are excluded.
- The applicant(s) must provide a certified copy of their passport as identification to satisfy Anti-Money Laundering and Counter-Terrorism Financing Act 2006 requirements. Where the applicant(s) has not entered Australia, certification must be performed by an Australian Consular Officer.
- Where loan documentation is being executed overseas, documentation must be witnessed by an Australian Consular Officer.
- An irrevocable undertaking that documents are to be served on a physical address in Australia is to be provided i.e. PO Box is not acceptable.
- Acceptable income evidence must be translated into English via an authorised/approved translator and converted into Australian dollars using the current exchange rate.
- A maximum of 90% of overseas income converted to Australian dollars may be used for serviceability purposes.
- Where foreign income cannot be adequately verified, 80% of the gross market rental income for the security property(ies) must be sufficient to cover the proposed loan repayments calculated at the default interest rate on a Principal and Interest basis over the remaining loan term after any Interest Only period.

Cash Out Policy

Defined as any loan proceeds whether in full or partly released directly to the applicant(s).

Standard (without LMI):

- To 80% LVR cash out is unlimited.

Alt Doc Loan

The level of income must support the borrower's asset and liability statement of position. In addition, Resimac will also determine whether this stated income and assets and liabilities are "reasonable", given the nature of the borrower's line of work. Resimac reserves full discretion as to whether or not it will accept the borrower's stated level of income and assets and liabilities. Resimac will not consider Alt Doc loan applications where, it is readily apparent the borrower is not declaring income for tax purposes. The borrower further confirms that the information disclosed is true and correct and the loan commitment can be serviced without undue financial hardship. Due to the additional risk associated with Alt Doc loans, refer to the following Alt Doc summary:

- ABN must be registered for twelve (12) months for Specialist Clear, six (6) months for Specialist Plus and Specialist Assist.
- Acceptable Borrowers - at least one borrower must be self-employed, but may not have up to date financial statements prepared. Pay As You Go ("PAYG") borrowers are permitted as secondary borrowers and proof of the PAYG income must be obtained. Evidence of PAYG income must be obtained and provided if using to service debt.
- Age of Business: the borrowers must have continually operated the same business for a minimum of twelve (12) months for Specialist Clear, six (6) months for Specialist Plus and Specialist Assist.
- ABN must be in the name of the borrower or an associated entity that can be directly linked to the borrower. Where the borrower has a business with gross turnover in excess of \$75,000 there must be a valid GST registration in place for a minimum period of twelve (12) months for Specialist Clear, six (6) months for Specialist Plus and Specialist Assist.
